OBJECTIVE

Full Stack Engineer looking to make an impact at a growing company, eager to learn and contribute in a team setting.

Languages and Technologies

JavaScript — HTML — CSS — Python — SQL Alchemy — PostgreSQL — AJAX — Node.js — Git — Firebase

Front-end Frameworks: React — React-Native — Bootstrap — Bulma — Tailwind
Back-end Frameworks: Flask — Express

EDUCATION

Springboard   Los Angeles, CA
Software Engineering Career Track   Summer 2021

East Los Angeles College   Monterey Park, CA
Associates of Science: Engineering Design   Spring 2021

PROJECT WORK

Carbe Diem *Calorie and Nutrient Tracker*   carbe-diem.herokuapp.com/
- Designed and developed a database driven website utilizing the Edamam Food Data API
- Handled user health calculations using Jinja templating through the Python-Flask framework
- Implemented both Python and JavaScript libraries to handle authentication, login, and data visualization.

Jobly *Job Search Site Prototype*   http://jobly-tailwind.surge.sh/
- Developed a fullstack prototype of a job search site that allows a user to create an account, search companies, apply for jobs, and filter results.
- Implemented React , Node.js, Express, and Heroku with Postgresql to host and serve the database to the user.
- Utilized Tailwind.css to expedite the front end prototyping process.

EXPERIENCE

Springboard   Los Angeles, CA
Springboard, Software Engineering Student   May 2020 - Present
- An 800-hour course covers key aspects of front-end web development, back-end web development, databases, and data structures and algorithms. Modules include learning resources, practice exercises, projects, and career-related coursework.
- Web Development, JavaScript, DOM Manipulation, Event Driven Programming, Git/Terminal/Github, Modern JavaScript and Testing, AJAX, jQuery, ReactJS, Redux, SQL, PostgresQL, Flask, Node, Express, Data Structures and Algorithms.

UCLA STAND   Los Angeles, CA
Mental Health Coach   Feb 2021 - Present
- Implemented motivational interviewing techniques to help walk participants suffering from anxiety and depression through the different behavioral techniques to help manage their emotions.
- Train and certify on various modules and cognitive behavioral therapy techniques as a continued effort and commitment to learning and providing the best treatment possible.

The Bicycle Hotel and Casino   Bell Gardens, CA
The Gardens Casino   Hawaiian Gardens, CA
Poker Dealer   Feb 2017 − Mar 2020
- Dealt various poker variations in high-limit games that demanded attention to detail and speed to handle the game, minimizing mistakes and increasing casino revenue as a result.

Hub Cities Consortium   Huntington Park, CA
Employment Specialist   Jan 2015 - Feb 2017
- Manages a caseload of over 50 dislocated workers and successfully helped them transition into different job sectors.
- Directed staff to provide support for participants in training programs
- Organized recruiting events for over 20 companies to come to the office and hire from our pool of program participants seeking employment.
